

	Digital transformation	Retail	Healthcare	Other sectors	Knowledge & skills	Solutions & innovation	Regional Forums/Governance	
	GS1 is helping industry emerge stronger to meet the demands of today's digital world and to "future-proof" our organisation. Join this track to hear the latest on: Verified by GS1, Global Data Model and the future of data sharing.	Retail is transforming and GS1 is there to serve the industry in meaningful ways. Sessions in this track include Marketplaces, CPG, Fresh Foods, and General Merchandise.	Safer, more efficient care starts with a simple scan. Learn about all the latest opportunities and developments for GS1 in healthcare.	There are tremendous opportunities in these growing sectors. Learn about the latest in rail and construction, transport & logistics, plus GS1 Global LEI Service.	Become more efficient and effective in your daily GS1 work. These sessions will help you develop GS1 expert knowledge and skills.	Join us to explore GS1's work in traceability, sustainability and innovation. Learn more about how GS1 is preparing for a future where the identification of everything makes anything possible.
